Executive Order

Executive Order 2016-06:

An Executive Order establishing public engagement and outreach principles and directing the Department of Neighborhoods to lead a citywide effort that results in the timely implementation by all City departments of equitable outreach and engagement practices that reaffirm the City’s commitment to inclusive participation.
By August 15, 2016, the Department of Neighborhoods shall initiate and lead an effort that directs all City departments to develop community involvement plans that make information and opportunities for participation more accessible to the public by implementing practices consistent with the following principles:

- **Improve and expand inclusive outreach and engagement**, as well as the creation of more equitable representative systems that are more reflective of, and accessible to, communities throughout the City of Seattle.
- Create **well-designed, responsive and culturally-relevant** public involvement plans.
- **Build community capacity** for meaningful participation and **authentic** outreach and engagement.
- Provide a **wide range of opportunities** for obtaining information and involvement in decision-making processes.
- Achieve **greater equity with meaningful involvement** of under-served and underrepresented communities.
- **Effectively and efficiently** manage the use of all resources, including community members’ time.
