

KEY LEADERS OPPORTUNITIES

This newsletter provides information and highlights opportunities for Global Governing Trustees, Trustees, and ULI Foundation Governors.

June 2021

Dear Key Leader,

As we head into the summer with renewed opportunities to get together with friends and family, we are turning our sights to the ULI family being able to gather in Chicago for the Fall Meeting. We plan to welcome you all back with a Key Leaders lounge, concierge service, and special thought leadership sessions. Registration opens soon, and we are hoping for a safe and successful event.

We are also looking forward to in-person engagements! For example, while Advisory Services panels will continue to convene virtually through the summer, we will be going back into communities starting in September. The upcoming opportunities to participate are outlined below, and we have several more in the pipeline. This fall, district councils will be starting in-person UrbanPlan sessions, as well as a wide variety of programming. Other regions will be rolling out in-person events as guidelines and circumstances allow. Though we learned a *lot* from our time connecting virtually and will continue to deliver virtual content and engagement, I think everyone agrees that being able to shake hands, get together for a cup of coffee or a glass of wine, and renew friendships in person is going to be welcome.

I hope you all remain healthy and safe. Until we can meet in person, I hope you remain engaged virtually. And once we are together, I look forward to catching up, hearing how you want to be engaged, and connecting you with your ULI family. As always, please do not hesitate to reach out to me with any questions, suggestions, or comments.

Best regards,

Mary Beth Corrigan

Upcoming Engagement Opportunities

Transforming Communities

Advisory Services: Join a virtual panel or project analysis session.

In response to the travel restrictions associated with COVID-19, ULI has developed Advisory Services offerings that can be conducted virtually. **Virtual Advisory Services panels (vASPs)** are 3.5-day panels tailored to meet a sponsor's needs, following the traditional Advisory Services panel process. vASPs convene a multidisciplinary panel of four to six experts with a range of professional backgrounds and whose skills meet the needs of addressing the identified challenge.

A recording of a recent virtual panel completed for Washington, D.C., is **now available on Knowledge Finder**.

Project analysis sessions encourage creative thinking and problem solving between a sponsor and a multidisciplinary panel of four to six experts on a succinct and direct intractable challenge. These intimate, conversational offerings are structured and facilitated to yield in-depth, project-specific, and pragmatic recommendations in a short period.

We are recruiting for the Advisory Services panels listed below. If you are interested in serving on a panel, please contact [Mary Beth Corrigan](#).

- **Seattle, Washington, August 9–12, 2021**—Implementation of “15-minute city” principles in the Westwood/Highland Park neighborhood of Seattle and resilience against the impacts of climate change in the city, specifically as it relates to addressing the heat island effect and stormwater management. **Looking for:** *developers, public officials, real estate market analysts, urban designers, urban planners, community engagement professionals, and resilience and climate change professionals*
- **Cape Coral, Florida, September 2021**—Review of a suburban community master plan.

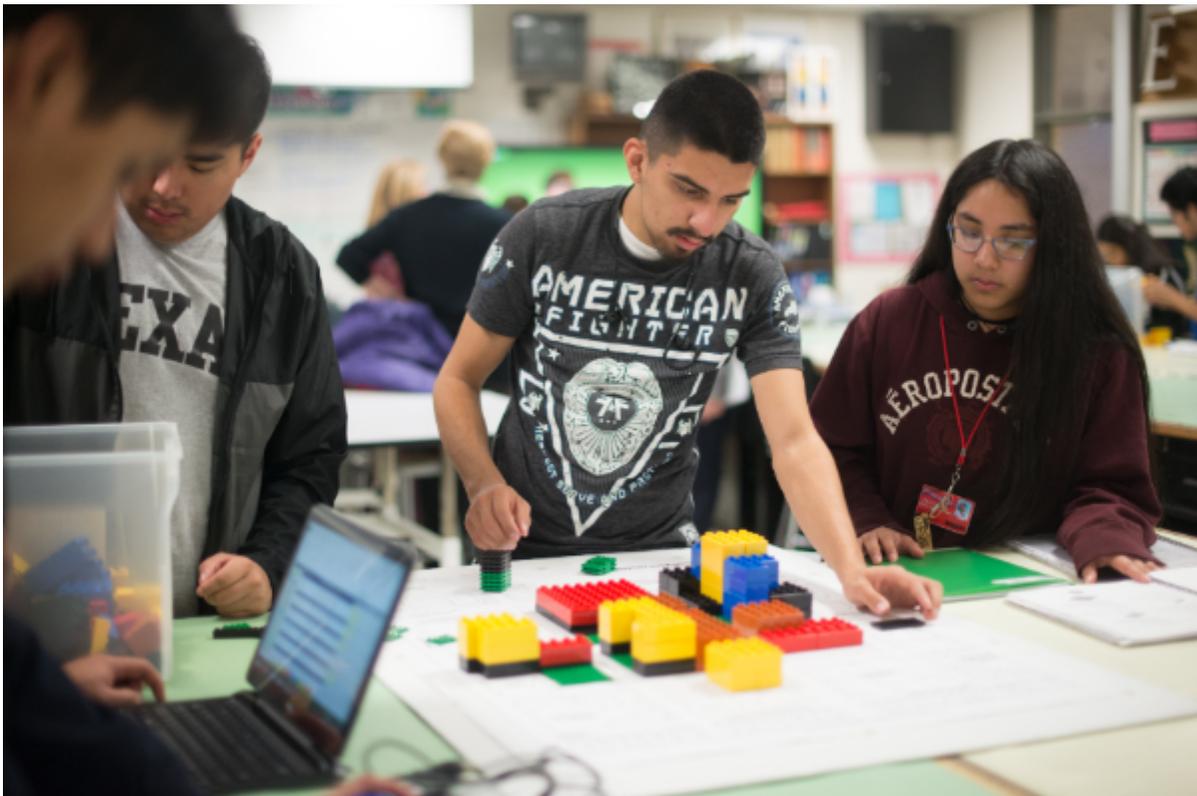

- **Tradition, Biloxi, Mississippi, date TBD**—Review of a long-term master-planned community.

Do you know a community that could benefit from a ULI Advisory Services panel? Contact [Tom Eitler](#) for information on next steps.

ULI Asia Pacific

Speaker Opportunity: Executive Education Programme

ULI Learning offers an Executive Education Programme exclusively for Corporate Partners in the Asia Pacific region. The aim is to provide board- or leadership-level training and an opportunity to have an open dialogue regarding a specific topic chosen by the Corporate Partner. This 1.5-hour closed-door discussion lends itself to being an impactful and informative session for all participants involved. The speakers who present are selected from the global membership and have expertise in the session topic. The database of potential speakers is growing, and we invite Key Leaders who would like to learn more or would be interested in participating as a speaker to reach out to May.Chow@uli.org.

For additional opportunities to engage in the Asia Pacific region, contact **May Chow**.
