Page: Team Verification

Teams do not need to receive verification prior to submitting the registration form. Please submit the registration form by the deadline on November 17th, 2023. Department heads may submit verifications through November 30th, 2023.

The director of a school, college, department, or degree program from, at least, the Sponsoring University, must verify the team's eligibility to participate. This is Verifier 1.

This verification is in addition to the verification that ULI requires for each undergraduate or part-time student.

If your team has students from more than one university, the verifier from the Sponsoring University can verify the eligibility of all team members. If they do not want to verify for students at other universities, you can request verification from additional directors.
