## SUGGESTED PACKING LIST

**Dress code:** Apart from the joint reception with ULI Germany on Thursday, September 21<sup>st</sup> where business casual dress is encouraged, ULI follows a “smart casual” dress code. Jeans and sneakers are perfectly acceptable and comfortable shoes are encouraged throughout. For the reception, please consider not wearing jeans or sneakers, but we understand if that is your only option, given the full day tour ahead of the reception.

**More packing considerations:** Pack layers as Berlin gears up for Fall. See the weather forecast (as of September 12<sup>th</sup>) for the week of the forum below. Please keep in mind that we will be on our feet a lot. In particular, programming on Wednesday, September 20<sup>th</sup> and Thursday, September 21<sup>st</sup> will consist of walking tours, so it is important to bring comfortable walking shoes. Finally, consider bringing a backpack/bag, a notebook and a pen for notetaking, a reusable water bottle, an umbrella and/or raincoat, sunscreen, and a hat to be prepared for whatever the weather throws our way!

Your laptop is not required during the forum, but you are welcome to bring it. Please be sure to bring your cell phone with you for contact purposes throughout events and for the Building Health Lab – Urban Care workshop.
