

MAY 15, 2025 | DENVER COLORADO

RESILIENCE SUMMIT

Following the [Spring Meeting](#) on May 15th, the ULI Urban Resilience Program will host its [6th Annual Resilience Summit](#) in Denver, Colorado. The Resilience Summit is ULI's flagship climate adaptation event; convening industry leaders in real estate and resilience from around the world to address the challenges and harness the opportunities posed by climate risks. Participants will learn about cutting edge solutions that promote proactive change in the face of a rapidly changing climate, while engaging with global thought leaders and exploring innovative buildings and developments that showcase resilience in practice. As the world rallies to address the challenges of climate change, the Resilience Summit offers a platform for gaining valuable knowledge, creating meaningful connections, and catalyzing innovative solutions.
